

DANIELLA VACLAVIK, M.S.

daniellavaclavik@mac.com

Education

Panthers Project, Florida International University, Miami, FL

Post-Doctoral Fellow, Clinical Psychology, September 2021-Present

Supervisor: Daniel Bagner

Mental Health Center of Florida, Fort Lauderdale, FL

Pre-Doctoral Intern, Clinical Psychology, September 2020-September 2021

Supervisors: Sandra Castillo and Amilie Dubois

Florida International University, Miami, FL

Doctoral Candidate, Clinical Science in Child and Adolescent Psychology, 2016-present

Advisor: Jeremy Pettit

Dissertation: Neuromodulation to Enhance Attention Training in Socially Anxious Adolescents

Ph.D. expected by April 2022

Florida International University, Miami, FL

Master of Science, Clinical Science in Child and Adolescent Psychology, 2014-2016

Advisor: Jeremy Pettit

Thesis: Parental Acculturation Level Moderates Outcome in Peer-Involved and Parent-Involved CBT for Anxiety Disorders in Latino Youth

Florida International University, Miami, FL

Master of Arts, Religious Studies, 2013

Advisor: Nathan Katz

Thesis: Defining *Īśvara*: A New Perspective in the Hermeneutics of Classical Yoga

New World School of the Arts, Miami, FL

Bachelor of Fine Arts, Dance, 2003

Poster presented at the Special Interest Group of the annual convention of the Association for Behavioral and Cognitive Therapies, New York, NY.

Vaclavik, D., Bechor, M., Foster, A., Reeb-Sutherland, B.C., & Pettit, J.W. (October, 2015). Transcranial Direct Current Stimulation as an Adjuvant to Attention Training in an Adolescent with Generalized Anxiety Disorder: A Case Study. Poster presented at the Annual MARC U*STAR & MBRS RISE Student Biomedical Mini-Symposium, FIU, Miami, FL.

Meléndez, R., Bechor, M., **Vaclavik, D.**, Rey, Y., Pettit, J.W., & Silverman, W.K. (November, 2014). Attention Bias to Threat in Clinic Referred Youth with Anxiety Disorders: Retest Reliability and Associations with Anxiety and Depressive Symptoms. Poster presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Vaclavik, D. (November, 2013). Defining Īsvara: A New Perspective in the Hermeneutics of Classical Yoga. In Vaclavik, D. (panelist), *Engaging the Jungle Physician: Hermeneutics and Practice in Patañjali's Yogasūtra*. Symposium in the American Academy of Religion, Annual Meeting, Baltimore, MD.

Vaclavik, D. (March, 2013). From Veda to Vedānta: An Analysis of Revelation. In Vaclavik, D. (panelist), *Religious Change: Practice, Beliefs, and Interpretations*. Symposium in Religions of Asia, The Southeastern Commission for the Study of Religion, Greenville, SC.

Research Funding

January 2019-August 2020

Seed Funding Dissertation Grant For Doctoral Students, Center for Children and Families, FIU, Miami, FL

August 2015-August 2018

National Institute of Health Minority Biomedical Research Support Program, Research Initiative for Scientific Enhancement Fellowship (MBRS-RISE), FIU, Miami, FL

Teaching Experience

Adjunct Professor

Florida International University, Religious Studies Department
Fall 2013 & Spring 2014
Courses: Religion: Analysis and Interpretation; World Religions

August 2013-April 2014

Graduate Teacher Assistant/Instructor

Florida International University, Religious Studies Department
Spring 2013
Courses: Religion: Analysis and Interpretation

January 2013-April 2014

Graduate Teacher Assistant

Florida International University, Religious Studies Department
Fall 2012
Courses: World Religions

August 2012-December 2012

Research/Clinical Experience

Post-Doctoral Fellow

September 2021-Present

Panthers Project, Florida International University, Miami, FL
Supervisor: Daniel Bagner

Pre-Doctoral Intern

September 2020-September 2021

Mental Health Center of Florida, Fort Lauderdale, FL
Supervisors: Sandra Castillo, Psy.D. and Amilie Dubois, Psy.D.
Roles: Treatment provider in multiple Assisted Living Facilities for adult and elderly populations with moderate to severe psychopathology; treatment provider and assessor conducting comprehensive evaluations (includes diagnostic, intellectual functioning, academic achievement, and/or diagnostics) for court-mandated treatment and evaluations in children and adults through ChildNet.

Independent Evaluator

August 2019-August 2020

Attention Training for Socially Anxious Youth, Florida International University, Miami, FL
Supervisor: Jeremy Pettit, Ph.D.
Roles: Independent evaluator conducting diagnostic assessment and treatment for an NIH-funded clinical trial (R01)

Assessor

August 2018-August 2019

Adolescent Brain Cognition Development (ABCD), Florida International University, Miami, FL
Supervisor: Raul Gonzalez, Ph.D.
Roles: Assessor conducting diagnostic and neuropsychological testing on children for a NIDA-funded multisite study

Clinician

May 2018-December 2018

ATLAS Project, Florida International University, Miami, FL
Supervisor: Nicole Schatz, Ph.D.
Roles: Substance use prevention provider for adolescents with Attention Deficit Hyperactivity Disorder (ADHD) for an NIDA-funded study

Assessor

August 2017-August 2018

Advanced Psychological Assessment Practicum, Florida International University, Miami, FL
Supervisor: Elisa Trucco, Ph.D.
Roles: Comprehensive psychoeducational evaluations for youth with diverse clinical presentations (includes intellectual functioning, academic achievement, and diagnostics).

Graduate Research Assistant/Clinician

August 2014-August 2020

Child Anxiety and Phobia Program at the Children and Families Center, Florida International University, Miami, FL
Supervisor: Jeremy Pettit, Ph.D.
Roles: Recruitment, diagnostic assessment, individual and group cognitive behavioral therapy for children and adolescents with internalizing disorders

Research Assistant

January 2013-August 2014

Child Anxiety and Phobia Program at the Children and Families Center, Florida International University, Miami, FL
Supervisor: Jeremy Pettit, Ph.D.
Roles: Follow-up Specialist and assisting with assessment of participants for an NIH-funded clinical trial (R01)
